Student: Kylie Welcher

Faculty Advisors: Prof. Wilson Wong

Sponsor: Hanover

Project Title: CS 3733 Software Engineering

Term: D-Term 2026

In consideration of the opportunity to work on the above-referenced student project (the "Project") for academic credit at SPONSOR's facility and/or under SPONSOR's direction, I hereby acknowledge and agree that:

1. I understand and agree to abide by the contractual agreement between SPONSOR and WPI that governs the parties' rights and obligations related to the Project (the "Sponsored Student Project Agreement").

2. The Project is part of my academic curriculum, for which I will receive academic credit. Participation in the Project will provide me with an opportunity to enhance my education through practical experience within my field of study. Work will be performed by me as a registered student at WPI for academic purposes and not as an employee of SPONSOR for financial or other compensation.

3. The results of the Project, including my student project report, will be shared with SPONSOR.

4. I acknowledge that the terms of the Sponsored Student Project Agreement may be different than, and may conflict with, WPI's Intellectual Property Policy. I agree that, where the intellectual property provisions of the Sponsored Student Project Agreement conflict with those in WPI's Intellectual Property Policy, the terms of the Sponsored Student Project Agreement will govern.

5. I acknowledge the confidentiality provisions of the Sponsored Student Project Agreement and I will keep confidential all information that I receive in connection with the Project if such information is either labeled or described as confidential, or if a reasonable person would consider it to be of a sensitive, confidential or proprietary nature. I will not use any such information for any purpose other than the Project, and will not share any such information with anyone who is not also working on the Project.

6. I will abide by the rules and regulations in force and effect at SPONSOR's facility during my presence there.

7. I hereby agree to release and hold harmless SPONSOR its officers, directors, employees or agents from any and all liability for personal injuries to me or damage to, or loss of, any of my personal property suffered in connection with the Project unless such injuries, damages or losses are due to the gross negligence or willful misconduct of the SPONSOR, its officers, directors, employees or agents.
